### **Other Raffles**

#### **50/50**

This is a classic favorite, \$20.00 for a wingspan of tickets, \$10 gets you 15 tickets. half the proceeds go to the Rough Riders charitable contribution fund and the other half to the winning ticket holder. See registration table or Volunteer staff to purchase tickets. Drawing at approximately 2:30 pm.

#### **Chance Raffle**

Yeah, it used to be called a Ch\*\*\*\*\* drawing, but someone objected (or a copyright violation?) so it is now the new and improved with 10% more cleaning power Chance Raffle! The principle remains the same, buy a card with 20 tickets all with the same number. You keep the big ticket (so you know your number) and then go over to the different Chance Drawing items drop a small ticket(s) into each box you are interested. Tickets are drawn and winning ticket number is posted and you claim your prize(s). See registration table or Steve Egan to purchase tickets. Drawing at approximately 2:30 pm.
